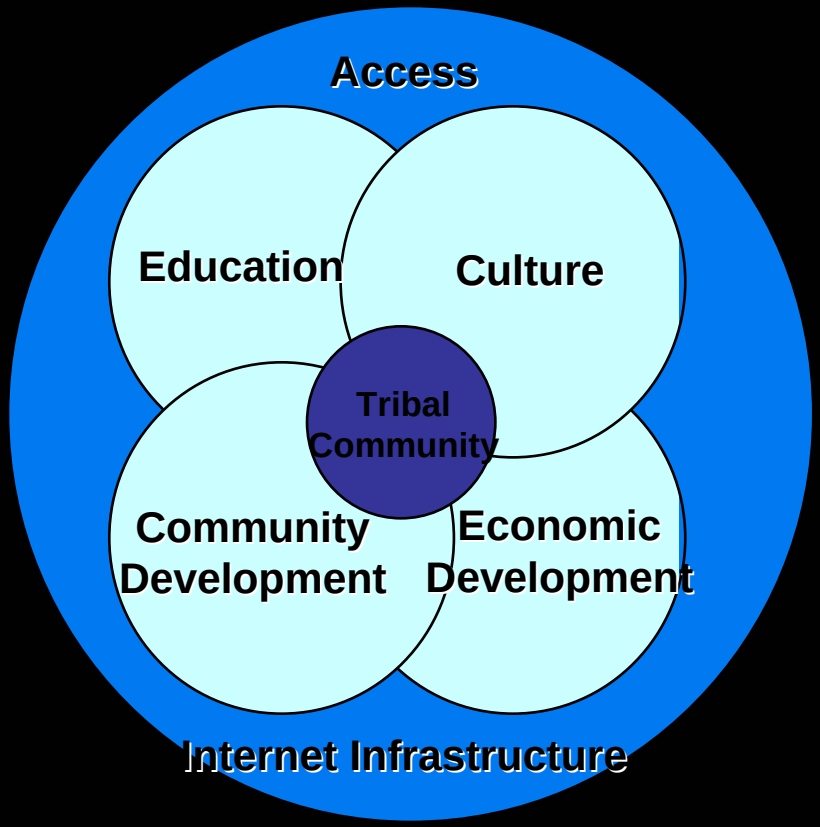
# Tribal Digital Village

Southern California Tribal Chairmen's Association

# S.C.T.C.A.

- **SOUTHERN CALIFORNIA TRIBAL CHAIRMEN'S ASSOCIATION**
- **Consortium of the 18 Federally Recognized Tribes in San Diego County, Combined Population 15,000**
- **Each Tribe is a Sovereign Nation**
- **Received a Digital Village Grant from Hewlett Packard in 2001 - 3 YR. / $5 Million(4m equipment/1m cash)**
- **Created the Tribal Digital Village Program to Digitally Connect and Unite the 18 Tribes of San Diego County Thru Infrastructure, Education, Culture, Community and Economic Development**

# Tribal Digital Village Project Goals



- **access:** build a high-speed, intertribal wireless network backbone and connect all reservations to the internet.
- **culture:** maintain and express traditions; link urban dwellers to community events at home; digital preservation of culture.
- **education:** distance learning capability; community technology training; youth tutoring/mentoring using technology.
- **community services:** email for residents; interactive online tribal calendars; enhancing tribal government productivity through technology.
- **economic development:** providing job training, development and support of large tribal business and individual small businesses
