

Project IDA

Project IDA (International Deployment of Accelerometers)

HP-WREN and the Global Seismographic Network

HP-WREN
November 19, 2006

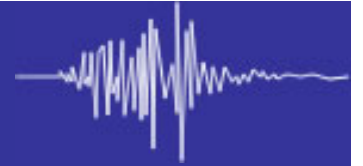

Peter Davis

Project IDA
Scripps Institution of Oceanography
University of California, San Diego

Project IDA

Project IDA (International Deployment of Accelerometers)

HP-WREN is used to
transmit seismic data
from Pinyon Flat...

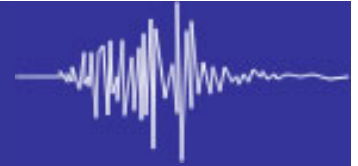

...to people all
around the world.

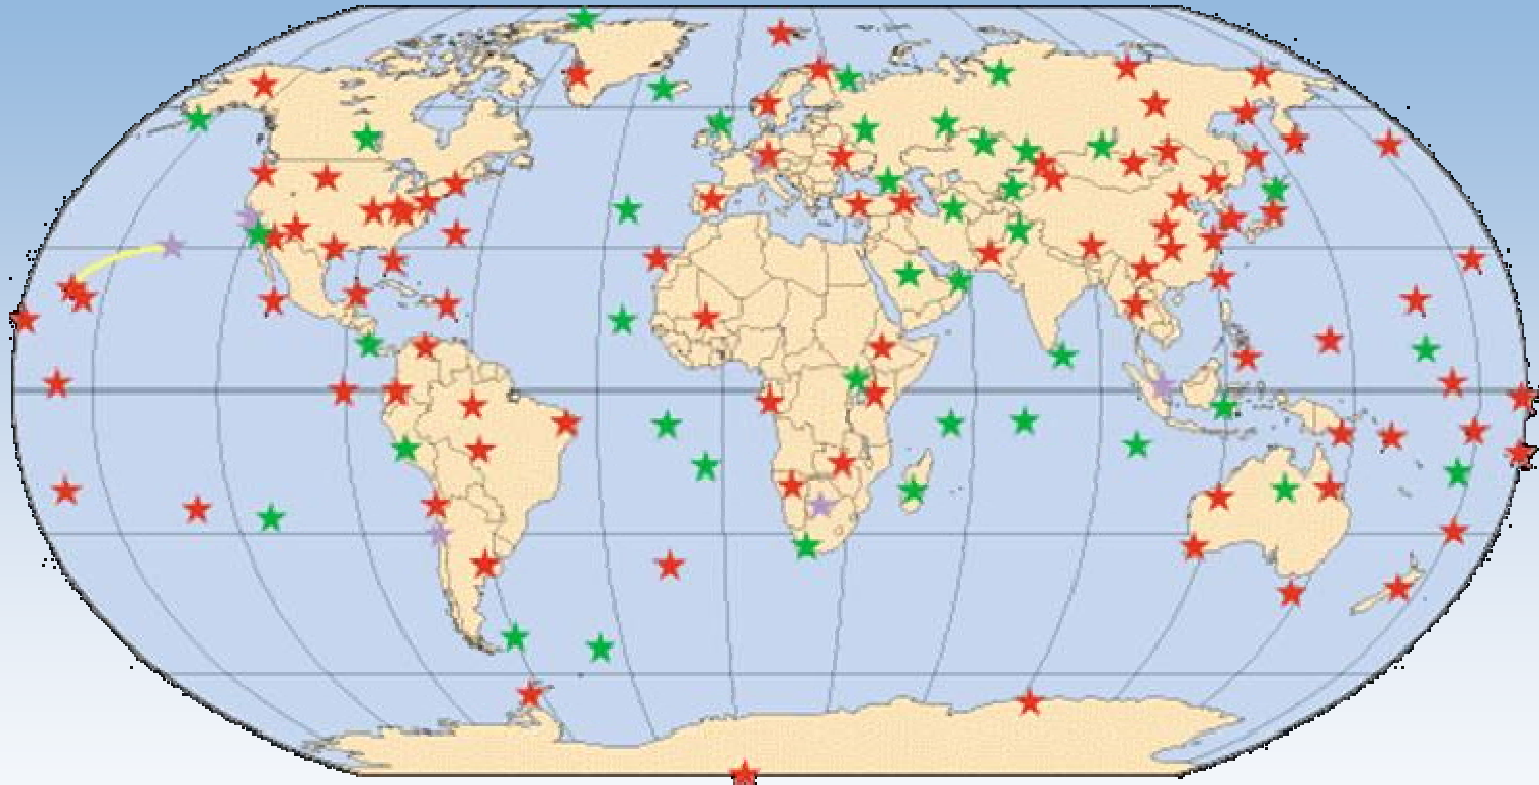

Project IDA

Project IDA (International Deployment of Accelerometers)

GSN NETWORK OPERATORS

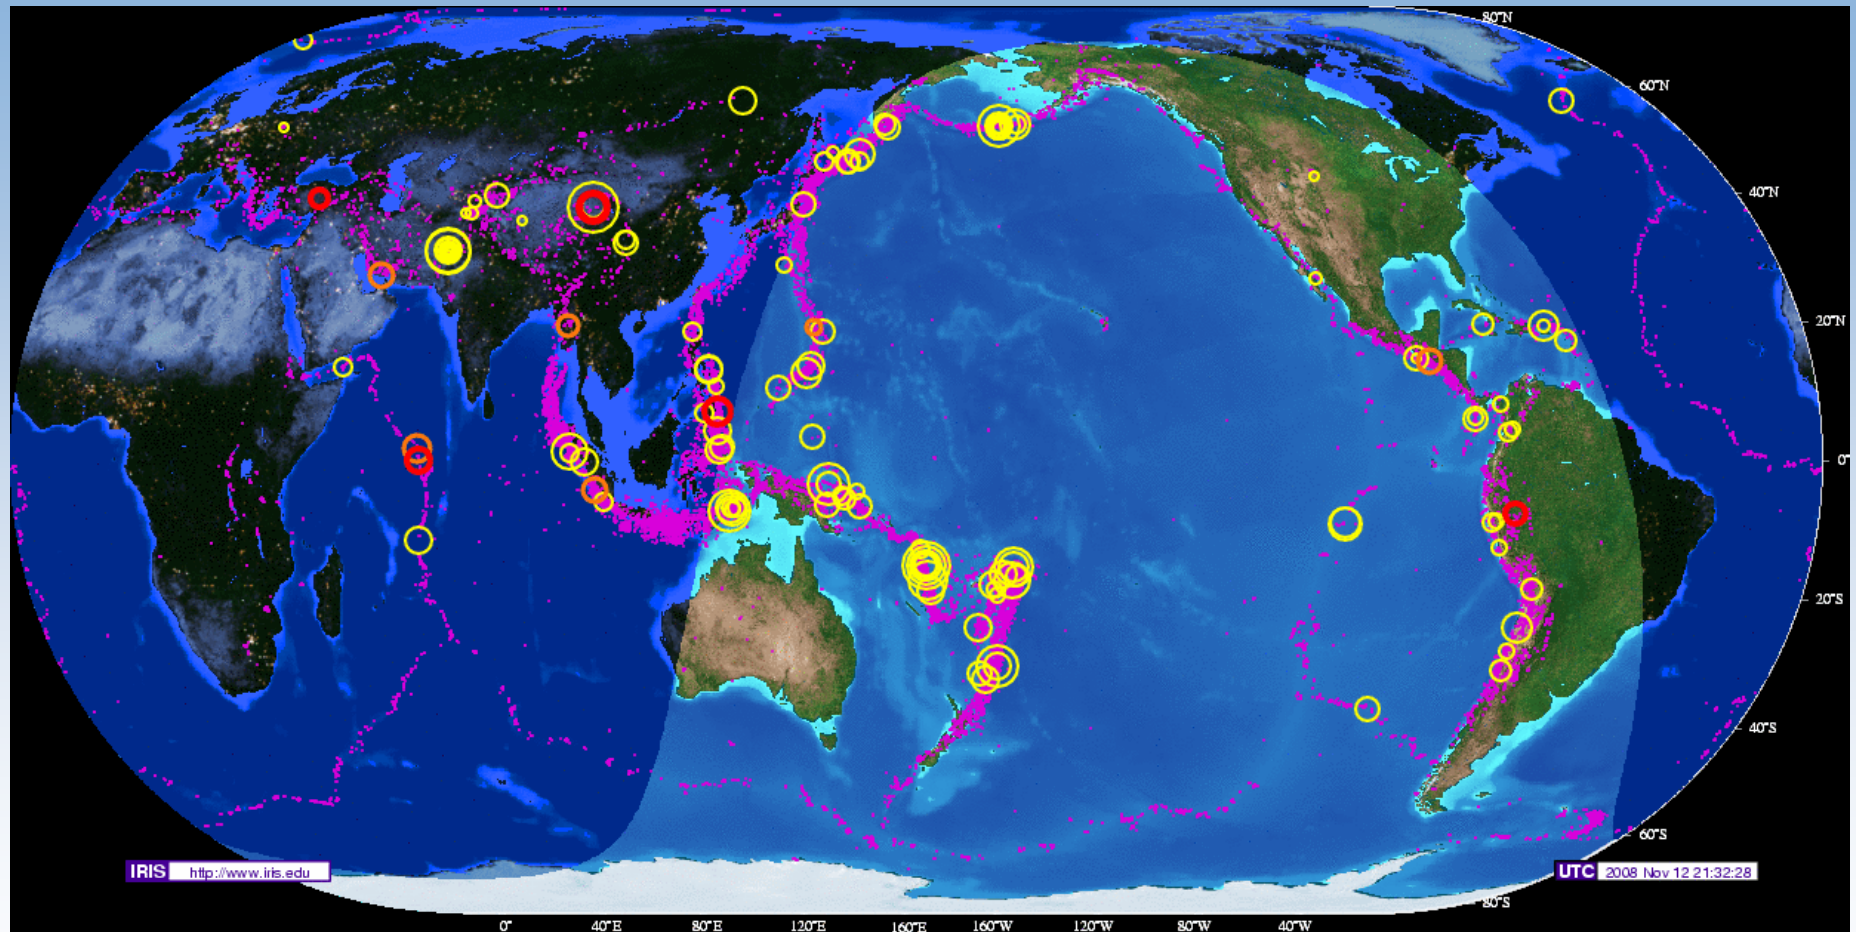

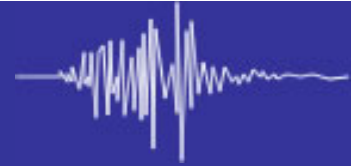

- ★ - USGS Albuquerque Seismological Laboratory
- ★ - IRIS/IDA Group at IGPP, Scripps Institution of Oceanography
University of California, San Diego
- ★ - University Networks and Affiliates

Project IDA

Project IDA (International Deployment of Accelerometers)

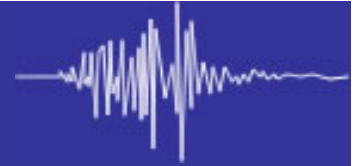

The USGS uses these data to locate earthquakes.

Project IDA

Project IDA (International Deployment of Accelerometers)

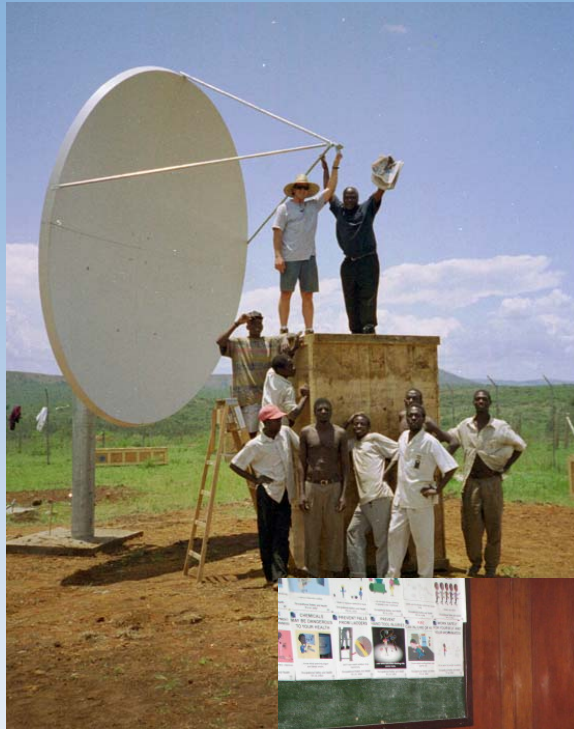

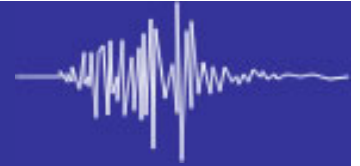

...and NOAA uses
the data to predict
tsunamis.

Project IDA

Project IDA (International Deployment of Accelerometers)

HPWREN
helps
people
around the
world!
